# Wind Resource As A Service

Monthly updates to wind analyses to include the latest measurements

## Outputs Recieved:

- Report with detailed figures
- Long term updated windspeeds
- Portal access to view the updated analysis

### SHEAR

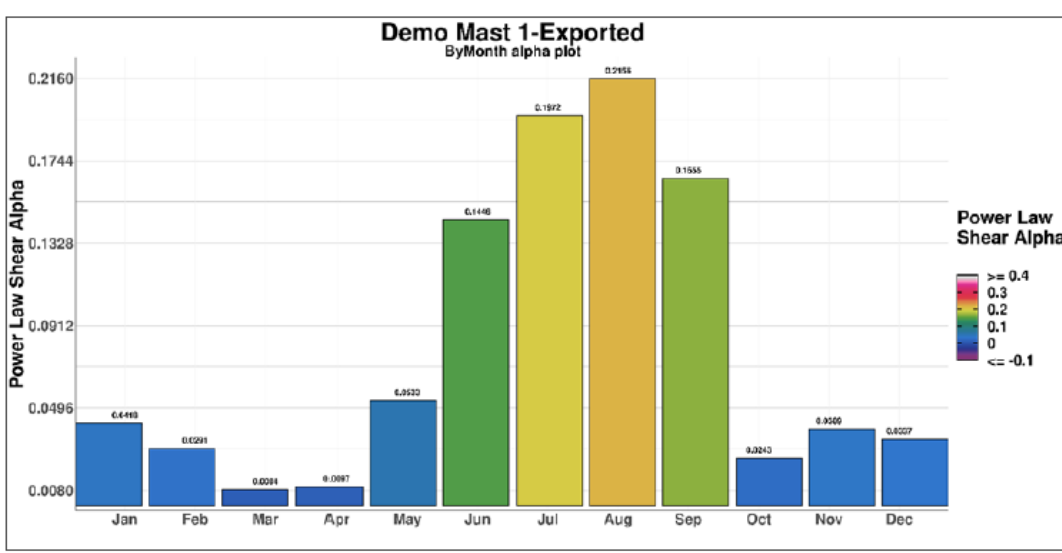

Figure 3-3: Monthly Shear Variation at Demo Mast 1

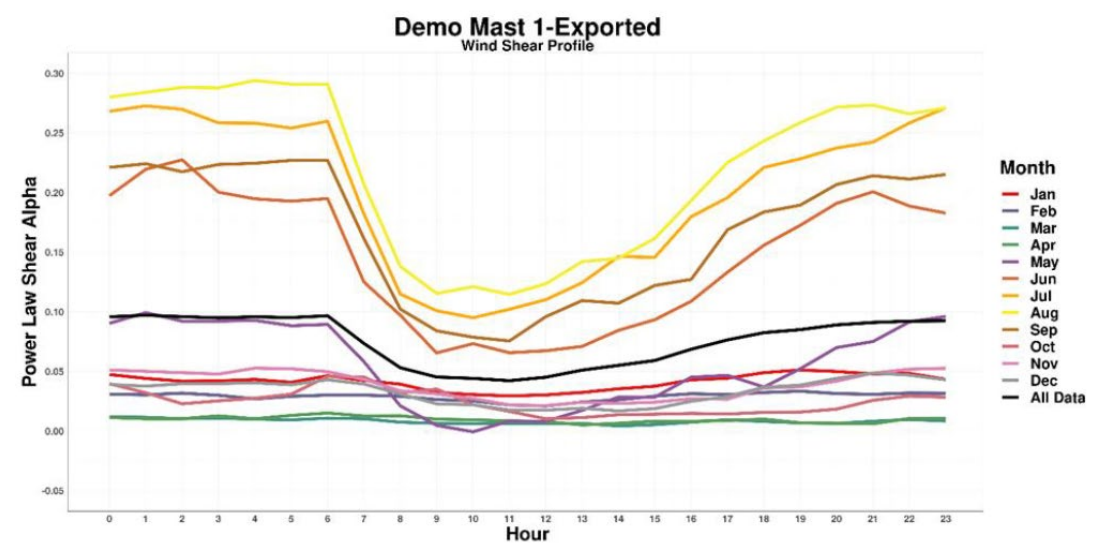

Figure 3-5: Shear Variation by month and hour of the day

### LONG TERM

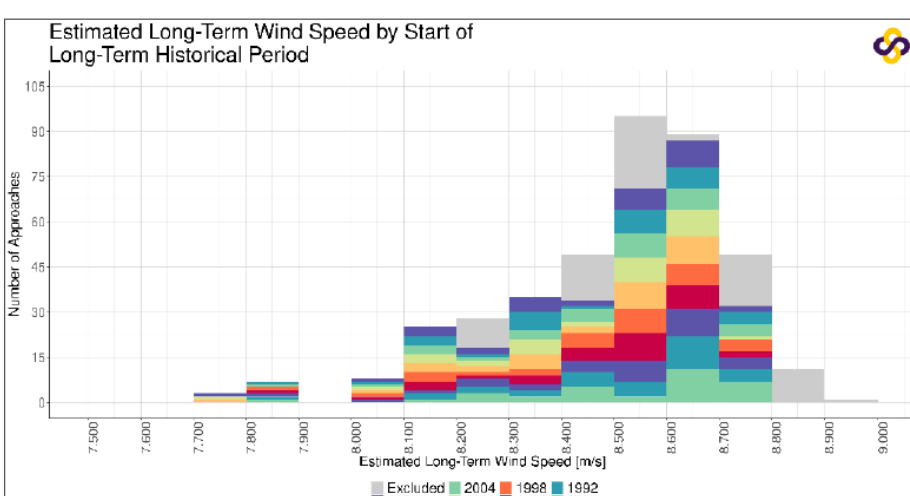

Figure 4-11: Distribution of included and excluded Long-Term Adjustment by historical long-term periods

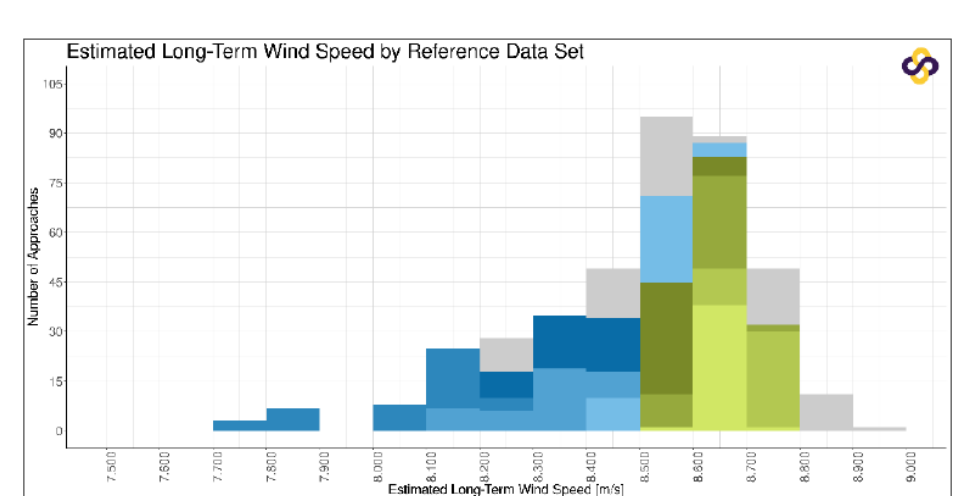

Figure 4-9: Distribution of included and excluded Long-Term Adjustment by reference data

### MEASUREMENT

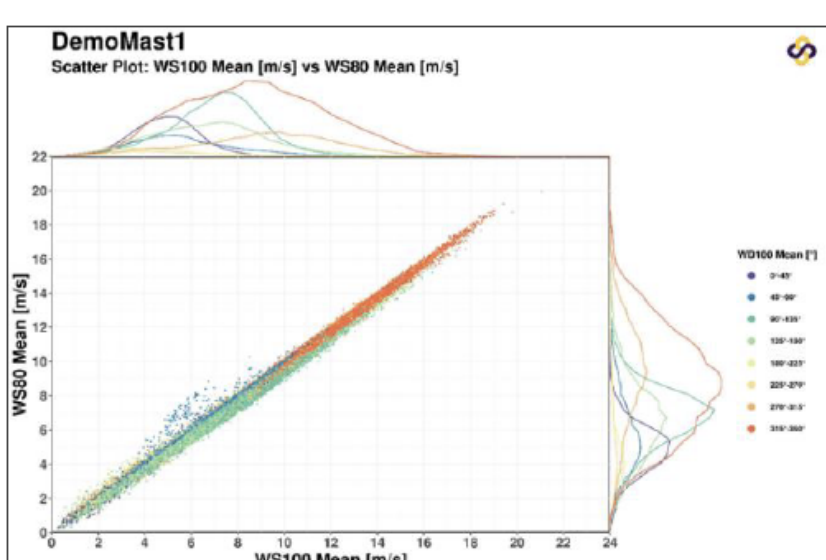

Figure 2-4: Scatter plots of wind speeds at 100m and 80m at Demo Mast 1

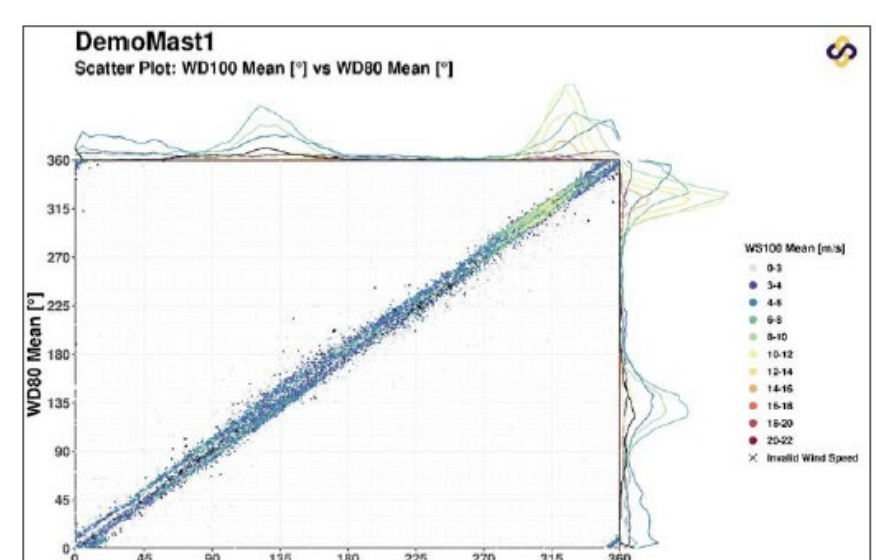

Figure 2-5: Scatter plots of wind direction data at 100m and 80m at Demo Mast 1
